ROAD CLOSURES EXIST WITHIN THE FIRE PERIMETER. CHECK FOR UPDATED ROAD CLOSURES HERE: dpw.lacounty.gov/roadclosures/

Palisades Fires Evacuation Map, please visit [Palisades Fire | CAL FIRE](#)

ADDRESS VERIFICATION REQUIREMENT: When approaching the roadblock, residents must provide proof of residency. Acceptable forms of identification are a photo ID that displays the resident's name, photo, and physical address. Please have these documents ready to ensure a smooth verification process.

KNOW YOUR ZONE: Knowing your zone is critical to staying safe during a public safety emergency such as a wildfire, flood, tsunami, hurricane, earthquake, or active shooter incident. Zones will be used in emergency alert notifications to communicate who is impacted by an emergency and what actions should be taken.

Visit protect.genasys.com and type your address into the search bar at the top left.

SAFETY MESSAGE: The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and evacuation orders or warnings. If you see electrical wires on the ground, stay clear and contact Edison immediately. Power may be out when you return home. For those who may be utilizing backup generators, please review the generator use for safety information at https://www.pge.com/en_US/safety/electrical-safety/electric-generator-safety/electric-generator-safety.page?WT.pgeac=PSPS_FAQ-GeneratorSafety. Trees and poles with deep charring, particularly if still smoldering, should be considered hazardous. Please use caution in these areas and obey all traffic control signs. Fire crews and utility companies will remain in the area to mitigate fire concerns, restore utilities, and bolster infrastructure.

Please visit recovery.lacounty.gov/palisades-fire/ for vital information for returning home after a wildfire.
